Dear Shaun & the team @ Barratt and Wilders

What can I say, from start to finish of our website, email accounts your service has been flawless. As a company who really knew nothing about websites and design, you have made us able to understand our sites, plus make changes ourselves through your brilliant site manager programme.

Please give a special thanks to little Steve who worked like a Trojan whilst you were off.

I will always recommend Barratt and Wilders Ltd to anyone who I know is thinking about anything to do I.T.

Thank You

Phil Gough
Director
